

FIREARM INJURY PREVENTION
LEADERSHIP ENGAGEMENT
AND DEVELOPMENT

We **all** have a role to play in preventing firearm-related harms

Goal

FIP-LEAD (Firearm Injury Prevention Leadership Engagement and Development) hopes to build a generation of **multidisciplinary leaders** who can inspire action and integrate firearm-related injury prevention efforts in their communities.

Impact

Those that complete FIP-LEAD will have the knowledge, skills, and confidence to lead their organizations in implementing firearm-related injury prevention efforts that are grounded in science, relevant for their professional and community context, and respectful of the diverse opinions and lived experiences that surround firearm culture in CO.

Register for our next workshop!

Eligible: Aurora Health Alliance Clinical and Community-Based Partners working with the Maternal & Child Health Population

FAQs

Who should attend a FIP-LEAD workshop?

The ideal participant has informal or formal influence on their organization/community's approach to and involvement in firearm-related injury prevention efforts.

Where are FIP-LEAD workshops held?

Workshops are in-person, either at your organization/location or on the University of Colorado (CU) Anschutz Medical Campus.

What do FIP-LEAD workshops cost?

The cost of hosting a workshop varies based on location and group size. Please contact us to learn more.

Who facilitates FIP-LEAD workshops?

Workshops are led by CU Firearm Injury Prevention Initiative (FIPI) faculty/staff and are tailored to each professional sector. FIPI also handles planning and logistics.

Sample Workshop Agenda
