**ENGINEERING ENTERPRISES, INC.  
ANNOUNCES NEW DIRECTOR OF BUSINESS DEVELOPMENT ~  
TIMOTHY G. HOLDEMAN**

Engineering Enterprises, Inc. (EEI) is pleased to announce that Tim Holdeman has joined EEI as Director of Business Development. Tim will be responsible for developing new business opportunities and creating customized solutions for our existing and potential clients in both the municipal and private sectors.

"EEI is delighted to have Tim join our team," says Peter Wallers, P.E., CFM, President and CEO of EEI. "Tim has a great deal of experience and success in both public and private sector organizations. As we continue to grow and maintain our brand promise of *Outstanding Service, Every Client, Every Day*, I'm confident Tim will become a valued resource for our clients and EEI staff."

Tim is a well-known and respected individual in the municipal sector, most recently as the Director of Public Works at the City of DeKalb and prior to that he was the Water Superintendent at the City of Rockford. He brings over 30 years of combined municipal and private sector experience to EEI.

Engineering Enterprises, Inc., founded in 1974, is an award-winning consulting engineering firm providing services to public agencies throughout northeastern Illinois. Our experienced diverse staff includes licensed engineers, licensed surveyors, technicians, and support staff that provide a full range of services for planning, design, and construction of infrastructure projects, plus grant and funding assistance.
