

*To Big Dog Construction Company's Suppliers, Vendors and Sub-Contractors*

*We would like to invite all of you to our Food Drive \* Home Show \* Charity Event that we are hosting Saturday August 24<sup>th</sup> from 2 pm – 10 pm at the Carlinville Plaza. This event is Free to the public. The event is to raise money and food for our community's 2 and 4 legged friends. The local Carlinville Food Pantry and the Macoupin County Animal Shelter. All proceeds will be divided equally between the two organizations.*

*The event will consist of the Free home show from 2pm – 5pm. During the home show, we have hired Tamara Day, the host of HGTV show Bargain Mansions to come do a meet and greet with the public. At 5:30 ish she will take the stage to tell her story of how and why she got into the construction industry and whatever else she wants to share with the crowd. After she is done, we have a live band, The Flashback Band from St. Louis that will take the stage and play until 10pm. We will have food and beverages for sale all day long along with adult beverages into the evening during the concert.*

*We will have a large tent set up out in the front parking lot. This tent is where we are offering space for you to set up a display to showcase your services / products that you offer not only through Big Dog Construction but all your services. We are asking for a minimum donation of \$100.00 for the tent space. All the money will go to the organizations. Also, if you would want to provide an item to be drawn for door prizes throughout the day, it would be greatly appreciated. we already have a couple nice items for this. Remember, it doesn't have to be anything from your business, it can be a cooler with your logo on it, or any other item you would want to donate. We will be drawing door prizes every 30 minutes during the home show. Even if you're not able to put together a display booth or a door prize, we have other opportunities to help support the event. We are looking for sponsors for the kid fun zone (bounce houses), vendor tent and other potential areas for the days event.*

*Our goal is to promote an event that is a WIN-WIN-WIN-WIN (cont'd infinitely) day for all involved. It's the weekend before Labor Day, most schools are back in session and family vacations are over. It's our way of having an end of summer get to together for a couple good causes. Let me know if you have any questions, suggestions or just want to talk,*

*Sincerely and Thank you in advance for your support,*

*Chris Hartsook,
