

INSTALL PROPANE APPLIANCES AND GET UP TO \$400 BACK

PROPANE CAN DO THAT®

Install propane appliances in a home for better performance and lower energy bills, too. Now, you can also earn up to \$400 in rebates when you have qualifying appliances installed. And if you're a plumbing or HVAC professional, learn how you can earn cash back just for installing a propane water heater. To learn more, visit the Illinois Propane Gas Association at ILPGA.org/Rebate.
