MARKETING:

Your Springfield Area Home Builders Association membership is your chance to market your business to other businesses and consumers that are in the market for your services. To get the most out of your membership, participate in meetings/events, join a committee and take advantage of the advertising/sponsorship opportunities. Your company can only benefit from your membership if other members know about you!

THE VALUE OF EVENT SPONSORSHIP:

Event sponsorship is considered the fastest growing marketing tool in the United States. The success of this strategy is attributed to the high-impact exposure it provides for a relatively low price. By supporting events that your target market finds attractive, you can boost your company's image in the community, while getting your name out to a wider range of audiences than otherwise possible. How could your company benefit from SAHBA's event sponsorship opportunities?

USE THIS GUIDE TO:

- Identify your audience: builders, developers, subcontractors, consumers or everyone.
- Determine the right opportunities to fit your product or service.
- Choose which level of investment fits you and your business.

PLAN AHEAD! Many SAHBA opportunities are reserved quickly! Once you decide which opportunities fit your company best, contact the SAHBA office at (217) 698-4941.

WHY DO COMPANIES SPONSOR EVENTS?

EVENT SPONSORSHIP:

1. Enhances the reputation and image of the sponsoring company through association.
2. Gives product brands high visibility among key audiences.
3. Provides a focal point for marketing efforts and sales campaigns.
4. Generates publicity and media coverage.
