## Winter Supplement

Shevat - Adar II 5779

For and About Members of Temple Adath Yeshurun

**Rabbi Carl Wolkin returns to TAY**  
**January 10 - January 12, 2019**  
**& March 21 - March 23, 2019**

### Adult Education with Rabbi Carl Wolkin

**Thursdays, January 10 and March 21 at 7:30 pm**  
in the Muriel & Avron Spector Library

#### Thursday, January 10

##### **JEWISH SEXUALITY: IS THERE SUCH A THING?**

Of course, Judaism has something to say about every aspect of our lives, even on questions that were not yet asked a century or more ago, such as: Premarital Sex (not just about young singles), homosexuality and same sex marriages, LGBTQ and the issue of transgender and sexual reassignment surgery. We may not have one answer or all of the answers, but the questions must be confronted, especially with the President's announcement that he plans to significantly narrow the definition of gender (10/21/18). What does Conservative Judaism say about of this and more?! If we run out of time, we'll roll it over to the next class.

#### Thursday, March 21

##### **PRAYER**

We are supposed to prayer three times a day, say 110 blessings daily, bless everything we eat and see, and pray after every meal and so much more. Why? We are bidden to thank, praise, ask, atone, etc. Why? Who "wrote" the Siddur and why do we need one, so many? Can't we just pray from our hearts? Which is better? praying alone or with a Minyan (who invented Minyan and why?) Where do meditation and mindfulness, so popular today, fit in? Will they help us attain "kavana" (mindful concentration)? What should and shouldn't we pray for? There are so many questions, but are there answers?

## From the Presidents

by Chaim J. Jaffe & Andrea Knoller

enforcement in the event of an emergency can be made within seconds.

Since the tragic events in Pittsburgh, additional measures have been implemented to ensure our safety. Again, for safety reasons, the details of these additional measures cannot be detailed in this letter. You are certainly free to contact either of us or Barbara Simon for specifics. Over the next few months, we will be introducing a "swipe" system. Each of you will receive a "swipe" that will allow you to enter the building during certain times of the day. The details of the "swipe" system will be forthcoming in a subsequent letter.

For now, we want to assure you that our collective safety is our highest priority.

As we enter the new calendar year, we encourage all of you to consider making a donation to the *Koach* fund or any other fund that is important to you.

Best wishes for a happy and healthy secular New Year.

B'Shalom

Andrea and Chaim

Sisterhood Book Discussion  
**Pachinko by Min Jin Lee**  
Sunday, January 27 at 10:30 am  
in the Muriel & Avron Spector Library

Richly told and profoundly moving, *Pachinko* is a story of love, sacrifice, ambition, and loyalty. From bustling street markets to the halls of Japan's finest universities to the pachinko parlors of the criminal underworld, Lee's complex and passionate characters--strong, stubborn women, devoted sisters and sons, fathers shaken by moral crisis--survive and thrive against the indifferent arc of history.

It was a National Book Award finalist, was one of the *NY Times* 10 best books for 2017, etc. Both the *NY Times* and *Esquire* called it "addictive," the *Washington Post* called it the "favorite book of the year."

*Next Sisterhood Book Discussion - Sunday, March 17 at 10:30 am*

Please join us Friday evening,
