We've kept your favourites and introduced new bespoke cocktails to our menu!

Pictured above, **O.M.L.G.** serves up a concoction of O.M.G gin from Czech Republic, with lavender, creme de cassis and fresh lime juice. Shaken with egg white for a smooth texture, this cocktail brings forth imageries of spring.

**The King and I** takes a royal spin on cognac with the addition of prosecco, a touch of orange liqueur and dusted with edible gold flakes.

Other additions include **Catch Me If U Can**, **Cali Cartel**, and our very own **Giant Catch**.

Visit **Catchfly** at 12 Ann Siang, Basement.
