ST. ARMANDS KEY LUTHERAN CHURCH

HERE WE ARE, LORD!

Thank you for the many ways you support the life and ministry of St. Armands Key Lutheran Church. Everything we do as a church community is made possible by the faithful support of people like you.

The information that follows provides an overview of our congregation's giving and expenses through 2025. There are three important points to keep in mind.

1. Each year, as our ministry and outreach significantly grows, so too does our operating expenses.

2. Member giving grew steadily from 2020 through 2024, but we experienced a decline in 2025. This reflects the loss of several beloved members who passed away, or who moved away.

3. Our annual operating budget depends significantly on the generosity of a relatively small number of congregation families.

Looking ahead to 2026, we hope to increase member giving to $955,000. If members who currently give less than $10,000 annually were able to increase their individual giving by 25%, we would come very close to reaching that goal.

We know that stewardship is about much more than financial giving. The life of our congregation is sustained by people who volunteer, serve, lead, and share their gifts in countless ways. For all of this, we are deeply grateful.

As you review this information, we invite you to prayerfully consider increasing your financial support of your church home in for 2026.

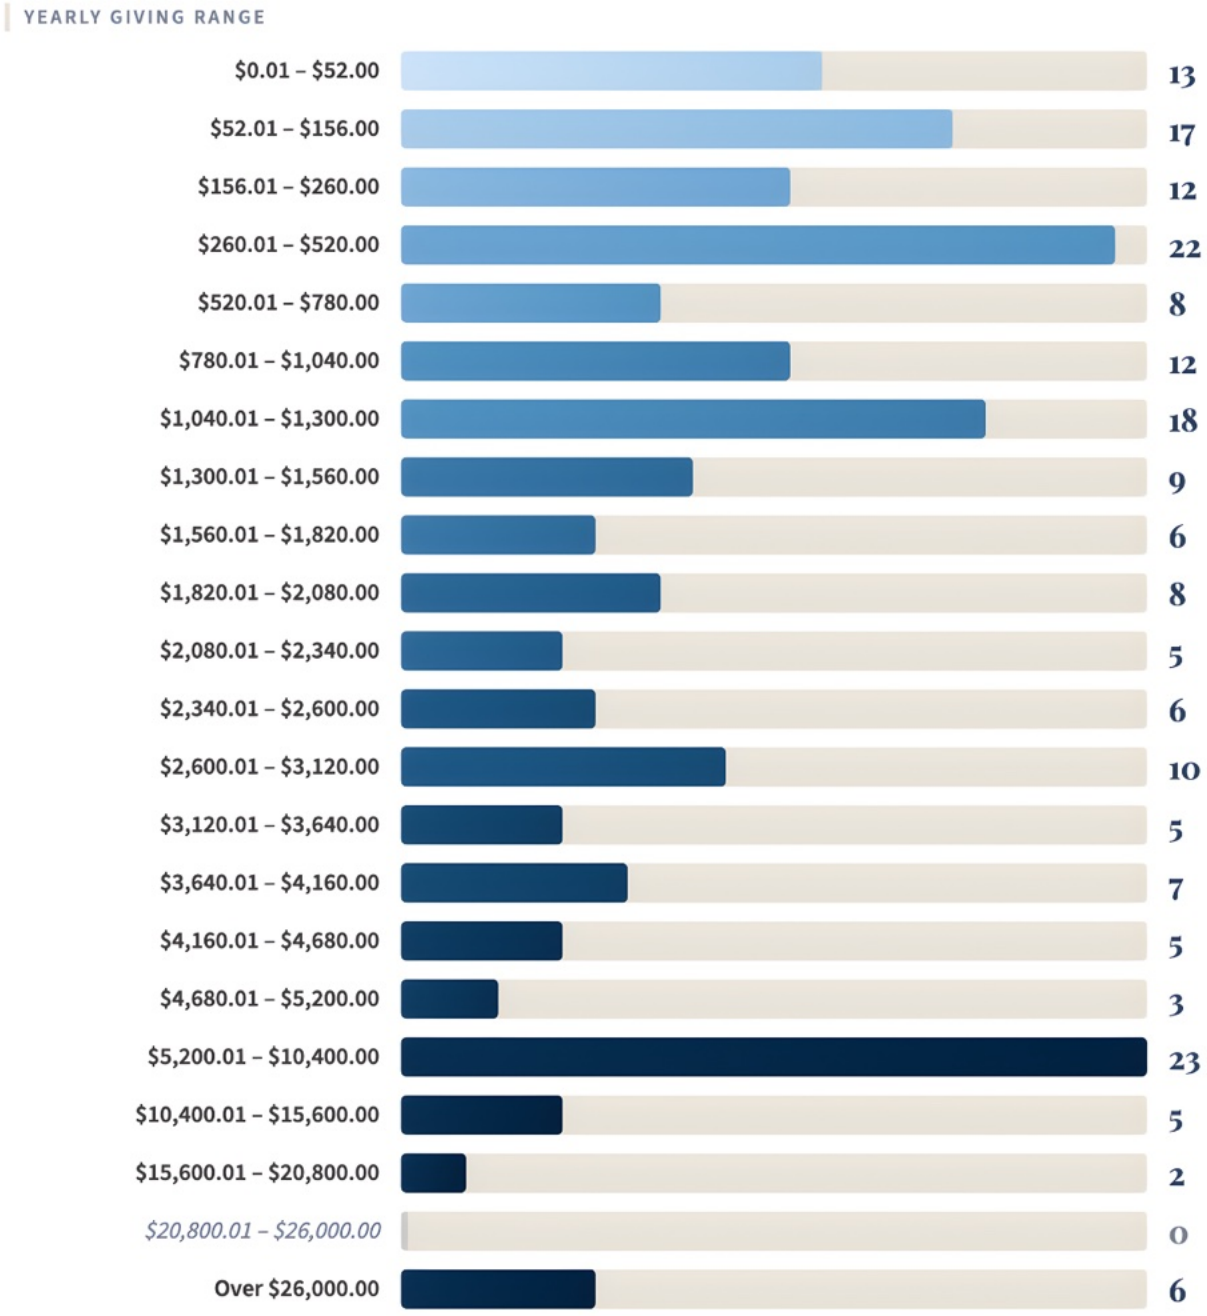

Together, we continue to grow in faith, serve our neighbors, and share the good news of God's love.

Here we are, Lord!
