Loyola Outpatient Center
2160 S. First Ave.
Maywood, IL

FREE PAP TESTS AND MAMMOGRAMS

Cancer Screenings and Education

See, Test & Treat® is a prevention and health education program for uninsured and underinsured women.

Free Test Results

- Cervical cancer screening (Pap test), ages 30–64, with same day results
- Mammogram (age appropriate), ages 40–64, with results in 3–5 days

Free Services

- Light fare and beverages at no cost to participants and family members
- Free parking

This event is free to women who qualify, but registration is required and the **number of appointments is limited**. Call **708-216-PATH (7284)** to verify your eligibility and make an appointment.

Mention See, Test & Treat or STT.

HOW DOES SEE, TEST & TREAT WORK?

Free Screenings

See, Test & Treat offers free cervical and breast screening as well as other information and education on women's health.

Why is this Important

When you maintain a healthy lifestyle, you are reducing your risk for cancer. Regular health screenings can help you limit the risks and improve your health.

Receive Prompt Results

You will receive prompt results to ensure timely follow-up. Clinicians will be onsite to discuss any findings or questions regarding follow-up care. We hope to make this an enjoyable and informative experience, helping you establish and continue care as needed.

Visit foundation.cap.org for more information.
