305 ILCS 5/14-13 new

Synopsis As Introduced

Amends the Medical Assistance Article of the Illinois Public Aid Code. Requires the Department of Healthcare and Family Services to calculate the payout ratios reported by managed care organizations no less frequently than annually and to post these calculations on its website. Provides that the minimum payout ratio shall be 85% and that a managed care organization not meeting the 85% threshold must refund to the State, for each coverage year, an amount equal to the difference between the calculated payout ratio and 85% multiplied by coverage year revenue for that managed care organization. Requires the Department to exclusively use paid claims data submitted by managed care organizations in establishing managed care capitation rates. Provides that managed care organizations shall not be reimbursed by the State for any costs associated with health insurance fees. Provides that beginning July 1, 2019, in addition to any other payments made for inpatient Medicaid inpatient services, the Department must make the following add-on enhancement payments for each covered inpatient day for any patient covered by any medical assistance program administered by the Department: (i) for each general acute care hospital with a rate year 2017 Medicaid inpatient utilization rate equal to or greater than 47%, an additional \$172 per inpatient day; (ii) for each hospital defined as a children's hospital under the Code with a rate year 2017 Medicaid inpatient utilization rate equal to or greater than 59%, an additional \$200 per inpatient day; and (iii) for each critical access hospital, an additional \$600 per inpatient day. Provides that the Department must require managed care organizations to make the same inpatient high-volume add-on enhancements for inpatient days of care. Effective July 1, 2019.

Synopsis As Introduced

Amends the Illinois Insurance Code. In provisions concerning coverage for telehealth services, provides that certain health benefit policies or plans may not exclude from coverage a medically necessary health care service or procedure delivered by certain providers solely because the health care service or procedure is provided through telehealth (rather than requiring certain policies to meet specified criteria if they provide coverage for telehealth services). Provides the requirements of coverage for telehealth services. Provides that an individual or group policy of accident or health insurance that provides coverage for telehealth services delivered by contracted licensed dietitian nutritionists and contracted certified diabetes educators must also provide coverage for in-home services for senior diabetes patients (rather than requiring an individual or group policy of accident or health insurance that provides coverage for telehealth services to provide coverage for licensed dietitian nutritionists and certified diabetes educators who counsel senior diabetes patients in the patients' homes). Amends the Illinois Public Aid Code. Provides payment, reimbursement, and service requirements for telehealth services provided under the State's fee-for-service or managed care medical assistance programs. Provides that "telehealth" includes telepsychiatry. Provides that the Department of Healthcare and Family Services shall implement the new provisions 60 days after the effective date of the amendatory Act. Synopsis As Introduced

Creates the Access to Basic Mental Health Information Act. Provides definitions for "mental health facility", "physician", and "recipient". Provides that specified individuals are entitled, upon request, to obtain certain information regarding a recipient in a mental health facility if the individual declares that he or she is involved in the recipient's care or paying for the recipient's care and the individual meets specified requirements. Provides that an individual requesting information must submit to the mental health facility specified information. Provides that a mental health facility is required to receive information relevant to the recipient's mental health treatment. Provides that if the recipient requests the mental health record from the mental health facility, any information that was tendered to the mental health facility under a promise of confidentiality may be withheld from the recipient if disclosure of the information would be reasonably likely to reveal the source of the mental health information. Provides that whenever access or modification is requested, the request, the grounds for its acceptance or denial, and any action taken thereon shall be noted in the recipient's record. Provides that a mental health facility and its employees or agents are not liable for any action under the Act unless the release was made deliberately or the release constituted gross negligence. Provides that nothing in the Act constitutes an infringement on an individual's right to obtain mental health records of the recipient if the individual has another right to the mental health records by law, regulation, or consent of the recipient. Provides that the Act shall be liberally construed to allow receipt of mental health information to individuals entitled to a recipient's information. Provides that the Act supersedes the Mental

Health and Developmental Disabilities Code and any other law that would be viewed to limit the access of an individual to a recipient's mental health records to the extent necessary to give the Act full implementation.
