305 ILCS 5/5-5e

Synopsis As Introduced

Amends the Medical Assistance Article of the Illinois Public Aid Code. Removes language providing that Medicaid rates for supportive living facilities effective on July 1, 2018 must be equal to the rates in effect for supportive living facilities on

June 30, 2018. Provides that the Medicaid rates for supportive living services on and after July 1, 2019 must be equal to 60% of the average total nursing facility services per diem for the geographic areas defined by the Department of Healthcare and Family Services. Provides that for supportive living facilities specializing in dementia care, the rate must be 72% instead of 60%. Requires the Medicaid rates for supportive living services to be updated whenever the total nursing facility service per diems are updated. Requires the Department to delink the per diem rate paid for supportive living facility services from the per diem rate paid for nursing facility services, effective for services provided on or after May 1, 2011 through June 30, 2019 (rather than effective for services provided on or after May 1, 2011). Effective immediately.

225 ILCS 65/50-17 new

Synopsis As Introduced

Creates the Hospital Patient Protection Act. Provides for minimum direct care registered professional nurse-to-patient staffing ratios in hospitals, long-term acute care hospitals, and ambulatory surgical treatment centers. Sets forth essential functions of direct care registered professional nurses relating to hospital patient care. Sets forth certain rights of direct care registered professional nurses, including the rights to protected speech and patient advocacy. Prohibits a hospital, long-term acute care hospital, and ambulatory surgical treatment center from interfering with a nurse's exercise of those rights, and prohibits other retaliatory or discriminatory action by a hospital. Provides for monetary and equitable relief for violations of the Act, and provides for civil penalties. Requires a hospital, long-term acute care hospital, and ambulatory surgical treatment center to post certain provisions of the Act for review by the hospital's employees and patients and by the public. Amends the Hospital Licensing Act and the Nurse Practice Act to provide that in the case of a conflict between a provision of either of those Acts and a provision of the Hospital Patient Protection Act, the Hospital Patient Protection Act shall control. Synopsis As Introduced

Amends the Fair Patient Billing Act. Provides that before pursuing a collection action against an insured patient for the unpaid amount of services rendered, a health care provider must review a patient's file to ensure that the patient does not have a Medicare supplement policy or any other secondary payer health insurance plan. Provides that if, after reviewing a patient's file, the health care provider finds no supplemental policy in the patient's record, the provider must then provide notice to the patient, and give that patient an opportunity to address the issue. Provides that if a health care provider has neither found information indicating the existence of a supplemental policy, nor received payment for services rendered to the patient, the health care provider may proceed with a collection action against the patient in accordance with specified provisions. Defines "supplemental policy". Makes a conforming change.

 225 ILCS 95/11 from Ch. 111, par. 4611

Synopsis As Introduced

Amends the Medical Practice Act of 1987. Provides that a physician licensed to practice medicine in all its branches may collaborate with a physician assistant (rather than may delegate care and treatment responsibilities to a physician assistant). Provides that a collaborative agreement shall be for services in the same area of practice or specialty as the collaborating physician in his or her medical practice. Deletes language providing that a physician may enter into collaborative agreements with no more than 7 full-time physician assistants. Amends the Physician Practice Act of 1987. Provides that a physician assistant in a health professional shortage area with a score greater than or equal to 12 shall own his or her own medical practice. Provides that medical and surgical services provided by a physician assistant include: obtaining and performing comprehensive health histories and physical examinations; evaluating, diagnosing, and providing medical treatment; ordering, performing, and interpreting diagnostic studies and therapeutic procedures; educating patients on health promotion and disease prevention; providing consultation upon request; and writing medical orders. Provides other provisions regarding scope of practice. Deletes language requiring: a written collaborative agreement for all physician assistants to practice in the State; and a written collaborative agreement to describe the working relationship of the physician assistant with the collaborating physician and the categories of care, treatment, or procedures to be provided by the physician assistant. Creates the Physician Assistant Medical Licensing Board (rather than the physician assistant advisory committee). Makes other changes. Effective January 1, 2020.

New Act

305 ILCS 5/11-5.2

Synopsis As Introduced

Creates the Medicaid Eligibility Determination and Renewal Reform Act. Requires the Department of Healthcare and Family Services (Department) to work with the Department of Human Services to achieve the following goals related to eligibility determinations and renewals under the Medical Assistance Program: (i) reduce procedural terminations so that no more than 10% of medical assistance beneficiaries who remain eligible for medical assistance experience any lapse in contemporaneous medical coverage; and (ii) use technology to lower administrative burdens and increase beneficiary continuity of coverage by providing real-time eligibility determination decisions for at least 75% of all medical assistance applicants, increasing automatic renewals for medical assistance beneficiaries, and offering an electronic means by which medical assistance beneficiaries can track and maintain their benefits. Provides that the goals must be met by December 31, 2020. Requires the Department to submit Medicaid and CHIP State Plan amendments to implement express lane eligibility for all beneficiaries of medical assistance and benefits under the Children's Health Insurance Program Act. Contains provisions concerning community-based enrollment and redetermination assistance; the creation of enhanced user permission; and other matters. Amends the Illinois Public Aid Code. Requires the Department to reduce administrative burdens and minimize delay utilizing its income, residency, and identity verification system; and to utilize federal or State electronic data sources to obtain certain financial, employment, and residency information. Contains provisions concerning data matching; the waiver of residency verification requirements; rulemaking authority; and other matters. Effective immediately.
