

Your health, wellness and financial security are important to us! During these times of uncertainty, we want to help you.

ResCare Workforce Services and SingleCare® can help you save on prescription medications.

Benefits

- **It's always free to use, with no hidden fees or surprises.**
- **We do not sell customer data to third parties.**
- **Families save an average of \$345 annually.**
- **Our prices beat insurance co-pays 45% of the time.***
- **SingleCare's prices routinely beat the competition on the 100 most commonly prescribed drugs.**

*SingleCare is not insurance and cannot be used in conjunction with an insurance co-pay.

Free, easy and effective.

SingleCare is a free service that helps everyday Americans save up to 80% on their prescription medications, and it works whether they have insurance or not. More than 10,000 of the most commonly filled prescriptions are covered.

Direct relationships set us apart.

SingleCare enjoys direct relationships with major pharmacies nationwide (including Walmart and Walgreens). We negotiate lower prescription prices with the pharmacies, allowing more people to fill their prescriptions.

SingleCare is easy to use!

Just show your card to the pharmacist and discounts will automatically be applied.
