ATTENDEE FAVORITES

“It was an extraordinary experience for me to attend the national convention for the first time. I can say with certainty that I reaped all the benefits of this conference that I had hoped to. I interviewed with an amazing firm that I desire to work for, attended sessions that were very informative, networked with professionals and members from several states and received a scholarship. I hope to be back in Orlando for the next National Convention.”

TOP 4 FEEDBACK AREAS

BREACKS - attendees need more time between sessions to locate bathrooms, sessions and food.

FOOD - given the tight schedule, attendees need quicker access to food between sessions and better variety.

DISRUPTIVE NOISE - sound quality and attendee chatter during signature events made it difficult for others to hear.

HELP - with more than 40% of attendees being first-timers, a "how-to" for doing Convention was a frequent suggestion.
