**The ACMS Members-Only**

**Portal Has Launched!**

**Get Started Here!**

The ACMS Members-Only Benefits page — including access to the digital edition of the ACMS Bulletin — is exclusively available to current ACMS members.

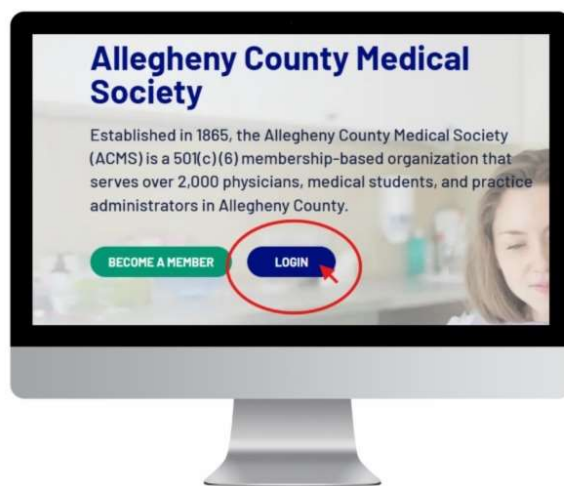

Greetings!

As part of our ongoing commitment to enhancing the value of your ACMS membership, we've introduced a new secure login system for accessing members-only content. This update ensures that exclusive resources, benefits, and publications remain accessible to ACMS members only.

An account has already been created for you—all that's left to do is activate it. Just follow the instructions below to get started!

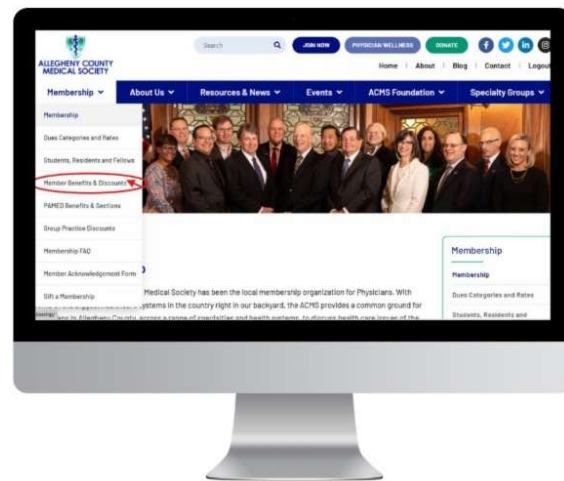

### How to Access the Member Portal:

- Visit [www.acms.org](http://www.acms.org)
- Click the dark blue "Login" button on the homepage
- Enter your unique username and password when prompted

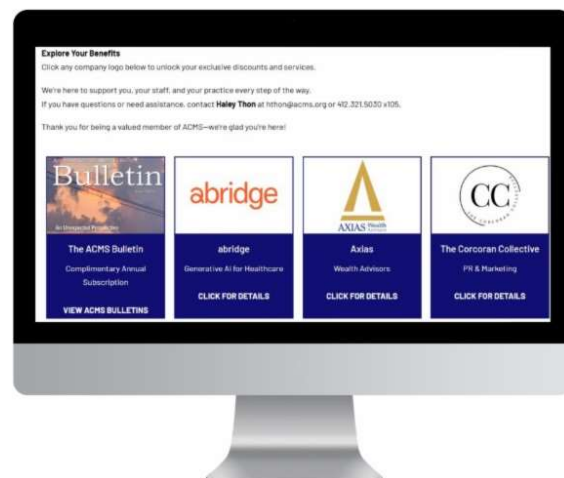

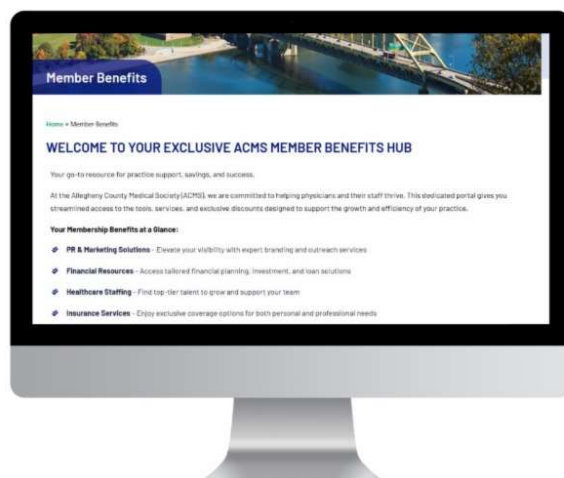

### Login Credentials:

- Username: **Email**
- Password: **Ah@@123fc**
- This will act as a temporary password for you until you log in and change your password

From the portal, you'll gain access to the newly launched and improved **Member Benefits page**. This secure platform provides exclusive resources, including Member Benefits & Discounts and the digital edition of The Bulletin.

This update is designed to protect the value of ACMS membership by ensuring that premium content and benefits remain available only to dues-paying members. We encourage members to check back periodically for updates on member benefits and new offerings.

Thank you for being a valued member of ACMS. We're excited to continue providing you with high-quality, exclusive member resources and support.

For questions or if you need assistance setting up your account during this transition please contact **Haley Thon** [hthon@acms.org](mailto:hthon@acms.org).
