Association Book Exhibit announces its participation in this year's
American Sociological Association Meeting
(August 8-11, 2020)

Welcome to ABE's first ever virtual combined publishers exhibit. We want to thank ASA for providing this opportunity to re-invent the way we have traditionally done business.

We feel we have designed a user friendly format for both participating publishers and ASA's virtual conference attendees. The objective is to create an easy to use platform that will steer real time buying interest directly to your order fulfillment departments during the meeting and provide sustainable post-conference purchasing options as well.

If all goes as planned, our Titles on Display will be posted on ASA's virtual conference site no later than August 7, 2020 and will remain there through September 30th.

It is our intention to use this ASA format as a template for other virtual exhibit opportunities as they undoubtedly will present themselves during the months ahead.

The clock is ticking... Please submit your participation forms as soon as possible. Our deadline date is Friday, July 31, 2020.

This is new territory for us, as we know it is for you as well.

On behalf of all of us here at ABE, we thank the many hundreds of publishers we have been privileged to serve during all or part of the last six decades.

We see virtual exhibiting as an opportunity to embrace an ever evolving future, combining our experience of the past with newly developing technologies of the future.

If you have any questions, please feel free to call me at 703-609-0313 (cell) during the hours of 10-4 / Mon. - Fri.
