## Students Impacted by Addiction Group

A safe and open space for students to share experiences, insights and resources

### DECEMBER MEETINGS

**Students Impacted by Addiction Group** is a **free, confidential** group open to any students who have been impacted by the chemical use of someone in their lives. Group time will allow for students to discuss their experiences, relate to the experiences of others and to obtain resources and information about addiction. There is no requirement to attend a certain number of groups, students may choose to attend once or ongoing, and students may only share what they are comfortable sharing.

**Other group discussion topics may include:** conflict resolution, peer pressure, coping skills, managing emotional/mental health and addressing risk factors. Topics will be youth focused and directed by group interest.

#### DECEMBER GROUPS:

**Tuesday December 4th from 3:30 to 4:30 PM**

**Tuesday December 18th from 3:30 to 4:30 PM**

**Location: Student Services Office, Social Work Group Room**

**\*Snacks provided\***
