**Dear Colleagues and Partners,**

We proudly present, as owners, next professional, very affordable and modern floor model 1-clamp hot melt glue- and perfect binder:

## **CP Bourg - BB-3000**

### **Machine information:**

This professional perfect binder (with 1-clamp, dust free grinder, hot melt glue unit, automatic unit, cover feeder) produces books, magazines, and readers in one simple handling job. The sheets will be roughened in a milling station (with dust removal), glued together with hot melt glue, the cover will be automatically wrapped and glued around the paper pile, pressed and dried before going out into the BBR stacker delivery. Settings can be made for the counter, time, temperatures, pressure and all kind of functions for a professional after-press production.
