

Dear Colleagues and Partners,

We proudly present, as owners, next compact and simple A3+ size collator and online finisher:

Plockmatic - CollatorPro 310 & 61

Machine information:

This professional, modern, electric friction collator with online booklet maker can produce booklets, magazines, blocks and sets in one handling job. The sheets are collated and put in nice jogged piles to the inline booklet maker and then can be folded and stapled in several ways. The size format change is very easy done manually. All on wheels for easy access or storage elsewhere.

Specifications:
