

To our Arcadia families,

Several concerned parents addressed the Governing Board and SUSD leaders last night to voice our concerns regarding overcrowding our school and the repercussions of their irresponsible actions.

Here is a link to the video of the meeting <https://youtu.be/gr3N9ZJ70q8> and a letter we would like to share with our community.

*Governing Board and SUSD,*

*Thank you for allowing us the opportunity to have our voices heard this evening.*

*Clearly, the damage this year has been done and the most we can hope for is to lessen the disruption as best as possible.*

*Going forward, we would like to request a confirmation on the number that District defines as capacity for Arcadia High School, what that is based on should be faculty, text books, desks, 33 in a class, safety, security, parking, traffic, etc. and not outdated study on what our square footage is. Please let us know when you will have that reasonable number.*

*As you heard tonight, the District might be low on numbers but it is crystal clear that Arcadia is not and it is absolutely unacceptable for us to fund the other schools at the expense of our students and staff. If open enrollment students want SUSD and Arcadia is full, they should go to the schools that have room.*

*Sincerely,  
Arcadia PTO*

Arcadia High School's PTO strives to facilitate and increase communication, promoting a long-lasting sense of community and spirit among our Arcadia families; supplementing additional funding for curricular and extracurricular programs which support our teachers, students and the administration.
