

## **Arcadia High School Registration for the 2020-2021 School Year**

Parents,

Believe or not, it is time to register for classes for the upcoming school year. The Arcadia Counseling Department will begin meeting with students starting January 9<sup>th</sup>. We will meet with them as a group to provide them with the registration materials and help them select classes. Students will then have the opportunity to go home and discuss their selections with you and make changes to their courses if needed. We will then meet with each English class and individually input students' schedules into Synergy.

We do **mandate** that students have a parent or guardian signature on their registration form in order for us to register them for classes. If a student does not have a signature at the time they meet with us to input their classes they will be told to come back to us once the form is signed and this may impact their ability to take certain classes. Please talk with your students about their course selection, we value your input and help with this. A schedule is listed below so that you will know the dates your student will be registering for classes.

If you have any questions, please feel free to contact your student's counselor. Please know that the counselors will be out of their office and with students during this time so phone calls and emails may take a bit longer to respond to. Please know that we will work with you and your student to make sure that they are signed up for the right classes.

Sincerely,

Arcadia High School Guidance Department

**Registration Information Meeting** - Your student will receive their registration material on the day their grade level meets. They will be able to bring the information home for you to review and sign the following day.

- **Thursday, January 9<sup>th</sup> – Ingleside 8<sup>th</sup> Grade English Classes**
