

ARCADIA HIGH SCHOOL ONLINE AUCTION

April 22 - 24, 2020

Hi Arcadia HS Families, Alumni & Supporters:

Our mission does not stop...we are proceeding with our Un-Gala Spring Auction! Our school and students will need the PTO funds for support now more than ever. Plus we were ahead of the times as a planned virtual event so no need to cancel!

We had secured auction items prior to the Covid-19 shut down. Many of these are local businesses that will greatly appreciate your patronage as soon as normal operations return.

The auction will still include 4 parking spots for purchase by the highest bidder and 1 parking spot will be raffled off (raffle tickets can be purchased now on the site). We will have hosted parties added (who can't wait for a party!!) plus other purchase options the school needs (so you can make a direct impact as you feel appropriate).

Although we can not gather at this time, we are hoping we can be #AloneTogether online to raise money for our wonderful community high school and our Arcadia Titans!

New Date/Time: April 22nd @8am through April 24th @8pm

To support the event you can click the link below. No donation is too small.

A very special thank you to Courtesy Volvo of Scottsdale our Title Sponsor for the Un-Gala Auction.

In addition, thank you to ALL of the early sponsors below...plus the 35+ businesses that have donated items thus far. Let's make sure to reciprocate their support of Arcadia High School all year long.

Lastly, the vision of an online auction takes a special community to pull off.... and that's exactly what we are!

Stay tuned for further information and updates.

Titan Up!

Best,
