## *Langley High School Golf Tournament*

*Benefiting Langley High School Wrestling & Baseball Teams*

Dear Potential Donor:

We are seeking your support for the Langley High School Golf Tournament to benefit the Langley High School Wrestling & Baseball Teams. We anticipate a great day on the course and a highly successful and well-attended event that will attract area professionals, alumni, local residents, and all level golfers throughout the northern Virginia and Metro D.C. area.

The Wrestling & Baseball programs take students of all skill levels and, through the building of skills and the support, structure, and mentoring offered through the programs, demonstrates the importance of discipline, dedication, and determination. These programs challenge students to become confident young adults developing inner strength to reach personal goals and form strong moral character and respect for self and others. As our programs continues to evolve we find more of these student athletes representing our community at the local, district, and state levels; the travel costs for transportation and lodging to tournaments, uniforms, equipment, and tournament fees for each athlete can be substantial so fundraising is very important.

We value your participation as your support will directly help the programs and affect the community as a whole: when students are inspired to achieve they perform better in school, go on to receive a higher education, and become positive contributors to their communities.

We thank you in advance for your support for the opportunity to enhance the lives of these student athletes and our community. Please join us, together we can be a winning team!

Sincerely,

*Coach Mye*

Coach Mye
