

AMERICAN ACADEMY OF  
HIV MEDICINE

# INVEST IN AN HIV CREDENTIALLED WORKFORCE

The American Academy of HIV Medicine, the nation's leading independent organization dedicated to providing excellence in HIV care and prevention, offers the first and only professional credentials to healthcare providers and pharmacists specializing in advanced level HIV care.

## Why Credential?

1. Build **TRUST** with patients
2. Ease the **PRIOR AUTHORIZATION** process
3. Increase **REIMBURSEMENT**
4. **NETWORK** and connect with other HIV care providers nationwide
