Dear Manhattan Borough President Brewer,

On behalf of the current and future Executive Boards of Fiorello H. LaGuardia High School of Music & Art and Performing Arts, we want to express our immense gratitude to you for giving the keynote address at yesterday's graduation. We are ecstatic to restore the soul of LaGuardia High School with you!

We applaud you for supporting our students and their activism, and for joining in the struggle. Clearly we have budding politicians in our students, and you set the example for them for years to come.

This is a watershed moment for us. We want to thank you for your leadership and participation through a difficult time - and for the swift actions taken by you and the Department of Education to remedy the situation.

We are optimistic and truly excited by what lies ahead. Despite the challenges, LaGuardia remains an amazing school with incredible students. We thank you once again for your on-going support of our school and our kids.

In Cooperation,

The Executive Board of the Parents Association of  
Fiorello H. LaGuardia High School of Music & Art and Performing Arts
