## Principal's Message

A Message from Dr. Mars

Be kind to everyone you meet.

Our thoughts influence our actions. Therefore, positive thoughts guide us in our decision making and our intentionality.

Our students are young adults who are excelling academically and artistically in their endeavors and we have seen the evidence of their hard work in August Osage, the musicals, and art exhibitions.

Parents: Please take a moment to congratulate and thank them.

Students: We are delighted that you are here. Make decisions that will make you proud.

Teachers: What you do daily matters. You influence thoughts and create possibilities for the future, and for that I thank you.

And to everyone: Be intentional when you speak, your words have value and give life to your thoughts and deeds and, remember; be kind to everyone you meet.

Dr. Mars

### Upcoming Guidance Academic Planning & Preparation Events

The Guidance Department adopted the Single Shepherd approach to school counseling. Each LaGuardia student has a single school counselor that serves as their point person for:

- Academic Planning
- Post-Secondary Planning
- Social & Emotional Development

The Guidance Department is excited to implement many new initiatives to better serve our students. Our initial next steps include beginning a four-year comprehensive educational framework so that students are better prepared for the college process rather than waiting until the Spring of their Junior year.

LaGuardia Arts is participating in a program called OUT for SAFE Schools, sponsored by the NYCDOE Office of School Wellness. Community members may see teachers — regardless how they self-identify — who are allies of lesbian, gay, bi-sexual, transsexual, gender fluid students or those who are questioning their gender identity students.

#### What would an ally do?

- Be open and listen.
- Practice inclusive language and avoid making assumptions about a student's gender identity or sexual orientation;
- Intervene when you hear an anti- LGBTQ comment.

## Happy College Decision Day!

CONGRATULATIONS for completing and surviving this incredible college application journey. The best is yet to come! Do not hesitate to talk to us about college life since that's our expertise! Here are some additional helpful college tips.

**COLLEGE DECISION TIME:** By now most of you have made your final decisions and have submitted a deposit. Don't forget to let the schools you are declining know of your decision in a timely fashion. Maintaining respectful communication is important since you might be applying to them in the future (maybe transfer or graduate school), plus your behavior reflects LaGuardia HS so make us proud! Please update your Naviance account.

Indicated whether you have been accepted, waitlisted, denied, withdrew your application, etc. Also complete the "college I am attending" box. The information in Naviance is only as useful as the results that are entered into the program. It is important for the school and the juniors (remember how you used the scatter grams and other data to develop and refine your list?). Please take the time once more to log onto Naviance and complete results for each college on your list.

**REQUESTING AP CREDIT:** Good luck on your AP exams! Colleges have varying policies on granting college credit using AP courses. Now that you have selected a college, become familiar with your college's AP policy. Typically this is NOT handled by the admissions office, rather the advising center or your academic advisor. You can check online or in the school catalog for more AP credit policy information. Your AP grades will be available in July online. Students are responsible for sending your official AP scores to colleges. If you have any questions or concerns, contact the College Board AP services at (888) 225-5427 or [www.collegeboard.org/apstudents](http://www.collegeboard.org/apstudents).

**MONEY TALKS:** Now that your college decision is done (yipeee!) the paperwork is just beginning. For starters, be prepared financially.

- Deposits: The most critical piece is that you submitted your admission commitment fee. However, you may be asked to put a deposit down on other services like housing or orientation, etc.
- Student Services: You will be contacted soon regarding housing, orientation, meal plan, health programs, disability services, and student activities. Most of these programs have varying costs depending on your choices. All this will be combined with your tuition costs into your first semester bill.
- Tuition Payments: Most schools combine all the services and tuition into one bill, and send them out by semester or quarterly. Call your financial aid office to determine when you will receive your first bill (typically August with a September due date) so you can plan accordingly. Also, most schools offer payment plans, so ask them about one.
- Loans: If you accept a student loan as part of your financial aid, package, you will probably need to fill out an application form and undergo a loan interview so make time for that. Federal loans applications for the 2018-19 years are not available until June; Stafford and Parent Plus loans should be the first place to start. We recommend you do it at least one month before your first college bill is due so that your money will be dispersed on time. On the other hand, private loans are available any time, but are costly.
- And finally, if there any extreme changes in your family or if you have even simple questions, do not hesitate to contact your financial aid office. They are there to serve and guide you!

## COLLEGE PREP:

- FORMS: You will be inundated with different forms regarding housing, orientation, meal plan, health programs, disability services, and student activities. If you have questions, don't hesitate to ask the various offices with your questions.
- PHYSICAL: You will probably need to get a physical, so call and find out if there are any specific forms you need to fill out.

## 6 | Guidance News

- **DISABILITY/Special Ed SERVICES:** Find out how to get your accommodations in place. Most schools will need all your documentation to evaluate your application.
- **ORIENTATION:** Don't forget to sign up for orientation. This is a great way to meet your future classmates and administrators, and even sign up for class!
- **THANK YOUs:** This is a good time to send notes thanking all the people who helped you with your applications.
- **READING:** Take a look at some of the popular books on getting ready for college listed below for students and parents.

### **SUGGESTED READING for PARENTS:**

- When Your Kid Goes to College; A Parent's Survival Guide (Carol Barkin, 1999)

CONGRATULATIONS!!

Class of 2018 Posse Scholar  
Emilia Ciotti Hernandez, Technical Theater  
Lawrence University, '22

### Posse's Mission

The Posse Foundation identifies public high school students with extraordinary academic and leadership potential who may be overlooked by traditional college selection processes. The Foundation extends to these students the opportunity to pursue personal and academic excellence by placing them in supportive, multicultural teams—Posses—of 10 students. The Foundation's partner universities and colleges award Posse Scholars four-year, full-tuition leadership scholarships.

### So, what is a posse scholar? Posse scholars ...

- ... Are leaders in their high schools and communities
- ... Are committed to their education and demonstrate academic potential
- ... Are interested in teamwork and diversity
- ... Are positive, motivated, talented, ambitious young people..

### What is Posse looking for?

Posse is looking for individuals who have demonstrated leadership ability, communication and team building skills. High school grade point average and SAT scores are considered but are not solely the basis for selection. Posse looks for students who have done well academically, but who may not be considering (or might be missed by) some of the top universities (which often rely more heavily upon traditional admissions measures such as SAT scores). Winners of the Posse Scholarship have been positive contributors to their schools and communities. They are interested in issues of community and diversity. We are looking for the students who have the perseverance and drive to make it in a highly competitive academic environment if given the support of a positive team of peers, a Posse.

### All nominees must:

1. Be high school seniors in the Fall of 2018.
2. Demonstrate extraordinary leadership within their high school, community, or family.

3. Excel academically and have strong GPAs. Although there is no minimum requirement, only nominees who have consistently progressed toward academic excellence will be given the opportunity to be a Posse Scholar. While the ACT or SAT are not a focus of Posse's evaluation, students should take them.
4. The Posse program is open to students of all backgrounds.

### Who pays for the scholarship?

Each Posse Scholar receives a four-year, full-tuition leadership scholarship provided by the college and university partners listed below:

Babson College  
Brandeis University  
DePauw University  
Dickinson College  
Franklin & Marshall College  
Lafayette College  
Lawrence University  
Middlebury College  
Smith College  
Trinity College  
University of Wisconsin-Madison  
Vanderbilt University  
Wheaton College

### How can I request to be nominated?

*Juniors, do you have what it takes to be a Posse Scholar??* LaGuardia has 12 nomination slots available. If you would like to be considered for nomination, you must

- 1) Complete your "Class of 2018 All About Me Survey" in Naviance (About Me tab)
- 2) Go to <http://www.possefoundation.org/> to research and learn more about the program
- 3) Complete the "Posse Nomination Survey" in Naviance (About Me tab)
- 4) Email your counselor by 4:09 pm Tuesday June 1, 2018
