

**ITA Sally Ride STEM Award  
2023 APPLICATION**

*Sally Ride—the first American woman to fly in space—loved sports (especially tennis) and science (especially physics) her whole life. Sally would love that each year a female student-athlete who also loves tennis and science is supported in her dreams.*

Full Name: \_\_\_\_\_

Address: \_\_\_\_\_

Phone # \_\_\_\_\_

United States Citizen [Yes/No]: \_\_\_\_\_.
