

## **ENERGY AND ENVIRONMENTAL LAW CLE AGENDA**

- **9:00 to 9:50 -- Common Law of Duplicative Assessments –**

Presenters: Michael Cardi and Jordan Maddy of Bowles Rice

The presentation will take a look at the recent WV Supreme Court case of *Collingwood Appalachian Minerals III, LLC v. Erlewine* which deals with the validity of tax sales on duplicative assessments, which can be a particular issue in the realm of mineral interests where we often find duplicative or erroneous assessments affecting mineral titles.

- **9:50 to 10:40 -- Environmental Crimes Overview: Investigations and Prosecutions –**

Presenters: Erik S. Goes, Assistant U. S. Attorney, SDWV, and Perry D. McDaniel, EPA Regional Criminal Enforcement Counsel

The presentation will examine an overview of the EPA Criminal Investigation Division, Investigative Methods, Prosecution Decisions, Parallel Proceedings, and Enforcement Priorities in Environmental Justice.

### **Break**

- **11:00 to 11:50 -- The ABCs of Energy Litigation 2023 –**

Presenters: Katrina Bowers and Austin Rogers of Babst Calland

The presentation will include an update on energy litigation cases in the latter part of 2022 and this year.
