A NEW PROGRAM DESIGNED TO HELP EXPAND YOUR REACH TO POTENTIAL CUSTOMERS

With the explosion of the Internet, businesses have the opportunity to greatly expand their reach to potential customers. One key element for reaching customers is the inbound link: an external link to your business online. When the external organization is large and multi-faceted such as a Chamber of Commerce, the inbound link can help to boost you in the search engines. The Greece Chamber of Commerce, recognizing the critical need for companies to raise their visibility, now introduces a new opportunity in Internet advertising that includes the inbound link and much more...

and get an inbound link listing you as a Greece Chamber "Featured Business" with a home page presence and all GreeceChamber.org pages and your own discrete business page on GreeceChamber.org, all powered by periodic e-blasts and social media posts.

Businesses that sign up for this AMAZING program will receive...

- A dedicated page on GreeceChamber.org for your business that includes: images, links to your website and social media pages, event listings, testimonials, a narrative description of your business, staff bios, contact information, and a link for driving directions to your location.
- Your company name and logo displayed on the side bar of the Greece Chamber home page, and all GreeceChamber.org pages as a "Featured Greece Chamber Business Member."
- Your company name under "Featured Members" on the main navigation bar of greecechamber.org.
- Four dedicated email blasts for your business (sent one per quarter to 1,500 subscribers).
