APWA Winter Maintenance Operator Certificate

Date and time: Tuesday, November 28, 2023 – 9am to 3pm (lunch provided & access to AMM Tradeshow during breaks & after)

Clarion Hotel – Brandon, Manitoba

COURSE DESCRIPTION

The Winter Maintenance Operator Certificate is for those "behind the wheel" during winter maintenance events. This half day workshop is designed to:

- **Provide a basic understanding of winter operations**
- **Increase operator understanding of winter materials and how they work**
- **Provide an overview of winter equipment and its upkeep**
- **Encourage enhanced communication between fleet personnel and operators**
- **Discuss winter operations for operators**

Resulting in more effective, efficient, equitable and environmentally-friendly snow and ice control. There is no content testing for this program; participants will receive a certificate of completion at the end of the program, subject they have been present throughout the entire workshop. This is a fantastic training opportunity for new and experienced operators, supplemental operators from other departments, and contract operators, to ensure a strong overall understanding of winter maintenance operations.

WHO SHOULD ATTEND?

- **New and experienced operators**
- **Supplemental operators from other departments**
- **Contract operators**
- **Operators who want a greater understanding of winter maintenance operations**

COST

- **$250 + GST**

REGISTRATION OPEN OCT 19TH Complete your registration using the form at this link.
