

1000 ISLANDS ROCKPORT CRUISES

CANADA 150 in Rockport

Rockport Cruises introduces its newest tour boat the “CANADA SPIRIT”. This 92 foot triple decker proudly displays the colours of our Canadian flag and is our way of showcasing what it truly means to be proud Canadians, announces Kathleen Allen, President and General Manager of Rockport Boat Line.

With the growth of tourism nationwide and in our region we expect a substantial increase in visitors this year and a welcome boost to our local economy, states Allen. Rockport is ramping up with additional cruise departures aboard its newest vessel.

The “CANADA SPIRIT” has been aptly named to reference the 1000 Islands region known in legendary folklore as the Garden of the Great Spirit and to represent the spirit of Canada’s cultural diversity.

Playing a prominent role in attracting international visitors each year, Rockport Cruises is proud to enhance the Canadian experience onboard its 1000 Islands cruises. This year will be especially commemorative for visitors and Canadians alike as Rockport celebrates Canada 150.
