Provider, Coding and Diagnosis Updates for Medicaid

Rocky Mountain Health Plans | April 21, 2023

Provider Type Updates

- Behavioral Health Entity (BHE)
- Recovery Support Services Organization (RSSO)
- Mobile Crisis Response Service Provider (MCR)

Coding and Diagnoses Updates Modifiers

Modifiers

- The HQ modifier will be added back to H2030, the code used for clubhouse service code. This was accidentally deleted in a previous edition of the Uniform Service Coding Manual.
- To align with mobile crisis provider type and services, modifiers will be added if you are a mobile crisis provider. The intent is to help distinguish from mobile crisis services or a crisis service billed by a provider in office for example.

Coding and Diagnoses Updates
