

Dear Provider Partners,

Here are the highlights from this month's CQI NewsRoom.

For more information including today's presentation, past months and coming month's agenda please visit our [CQI Newsroom Landing Page](#) or reach out to me mary.beckner@uhc.com.

- NCQA [Health Outcomes Accreditation](#) (HOA)
NCQA transitioned from Health Equity Accreditation to Health Outcomes Accreditation for 2026. This framework emphasizes using standardized data to identify disparities and improve outcomes across Medicaid, Commercial, and Exchange populations. RMHP's renewal submission is due August 11, 2026.
- [eConsults Practice Perspective](#)
eConsults continue to be a valuable tool for provider collaboration, supporting clinical decision-making, improving patient care, and expanding knowledge when managing complex cases.
- [Well-Child Visits in the First 30 Months of Life \(W30\)](#)
Reinforced the importance of meeting required visit thresholds (6 visits by 15 months; 2 visits between 15–30 months), accurate documentation, and proactive scheduling to close care gaps.
- [CQM Reporting Reminder and HCPF Portal](#)
RAE quality performance data will now be distributed through the HCPF portal. Practices must submit a user access form to view data and participate in quality programs.
Reporting Q2 2026 eCQM Reporting deadline is July 17, 2026. Quarterly reporting and meeting tier targets are required to receive the eCQM PMPM incentive in 2027.
- [PDSA Webinar and PDSA Documentation Reminder](#)
PDSA cycles were highlighted as a key method for driving quality improvement and practice transformation. Resources and training opportunities are available to support implementation.
- Upcoming: Violet Health [Violet Health Promotion](#)
Additional information and discussion on benchmarking and tool functionality will be shared in July. Please reach out to mary.beckner@uhc.com to submit questions ahead of time.
