

Happy Winter Solstice! As we close out the year and prepare for upcoming reporting and New Year, we want to ensure you have the most up-to-date information to support your operational and quality performance needs. Please remember to [register for the 2026 CQI Newsroom](#) and bookmark the [2026 CQI Newsroom landing page](#). Below are several important updates and reminders related to eCQM reporting, 2025–2026 PCMP measures and thresholds, HEDIS changes, SDoH payment programs, and key deliverables for practices participating in the HCPF APM 1 PY2025 cohort. Please review the information carefully and share it with the appropriate members of your team.

- [Register now for the 2026 CQI Newsroom!](#)
- [eCQM Reporting Reminder and Suite Updates](#)
- [2025-2026 PCMP Measures and Thresholds](#)
- [HEDIS updates](#)
- [HCPF Coding and Billing Updates December](#)
- [Heart Failure Management & Treatment Webinar and CEUs](#)
- [Optum Risk Education Quarterly Newsletter and CEUs](#)

On or around **Tuesday, December 10**, your practice should have received an email from your Clinical Program Manager (CPM) that included a letter outlining your data for the HCPF quality measures. This letter also contains important information regarding your eligibility for the quality track, applicable thresholds, and other critical details. Please review the letter in its entirety to ensure you have all the necessary information. If you have any questions or would like to schedule a meeting, please contact your assigned CPM or Kristi Hall at kristi.hall1@uhc.com.

SDoH Payment Program Updates for 2026

- Due to **Contexture and QHN's merger** and the creation of the **One Platform**, there will be changes to the SDoH Screener data RMHP receives.

Starting January 1, 2026:

- **Contexture will only send positive screening data to RMHP.**
- Practices using Contexture that want to receive **annual screening reimbursement for negative screeners** must **manually send that data to RMHP** until late 2026.
- For additional information, please see [2026 SDoH Programs One-Pager](#).

Reminder for PCMPs in HCPF APM 1 PY2025 Cohort

Please review these key updates to avoid negative payment adjustments.

Key Updates

- **Structural Measures:**
 - Original deadline **Dec 19, 2025** has passed.

- If you still plan to submit, **email Barb Bishop (barbara.bishop@uhc.com)** and confirm you will submit by **Dec 31, 2025** (final deadline).
- Missing this deadline may result in **negative financial impact** during the payment year.

Other Deliverables

- **eQMs: Collected by Contexture or Carina Health in Q1 2026. Watch for HIE updates.**
- **Claims Measures: Calculated by HCPF from 2025 claims. Ensure accuracy.**
- **Program Outcomes: Announced Sept 2026.**

Reminders

- Program requires **200 points** to avoid payment reductions starting **Oct 2026**.
- For questions, contact **barbara.bishop@uhc.com**.
- FQHCs have their own set of deliverables in this program. If you are an FQHC, please reach out to Carina Health for program deadlines as needed.

Thank you for your attention to these requirements and for your commitment to quality care.

If you have any questions or need support, please reach out to your Clinical Program Manager or contact me directly at **mary.beckner@uhc.com**.
