

You are invited! RMHP's 2026 Behavioral Health Provider Learning Series Registration is now Open!

This free virtual learning series offers providers the opportunity to strengthen real-world skills across a broad range of clinical and operational topics.

[Register Here](#)

These virtual learning opportunities will take place on the last Tuesday of each month from 12:00 PM to 1:00 PM MST, March through September. The learning series is free to attend and features Colorado-based and national experts who bring deep expertise and practical, applicable insights.

For more information on topics, speakers and logistics, visit our landing page [2026 RMHP Behavioral Health Provider Learning Series](#).
