- RMHP Trainings & Events

Attention HCPF APM Practice Partners:

As we are nearing Quarter 4 of the **HCPF APM PY2025 Cohort**, I wanted to send a quick reminder to help you stay on track with your APM measure deliverables. Below are a few key updates and resources to support your progress:

□ Electronic Clinical Quality Measures (eCQMs)

If you selected eCQMs for this program year, please connect with your Health Information Exchange (HIE) contact for assistance. Your HIE is your primary support for eCQM reporting.

HIE Contacts:

- Contexture: Jolene Reini – jolene.reini@contexture.org
- Carina Health (formerly CCMCN) Manual Reporters only: Rachel Artz-Steinberg – rachel.artz-steinberg@carinahealth.org

□ Administrative Measures

The Colorado Data Analytic Portal is no longer being updated as HCPF transitions to a new system for ACC 3.0. If you need access to your Administrative Measure data, please feel free to reach out to me or you can contact HCPF for further support at:

- HCPF_primarycarepaymentreform@state.co.us

□ Structural Measures

Barb Bishop remains your point of contact for Structural Measure deliverables. If you'd like to review your selected measures or confirm you're on track, feel free to:

- Schedule a 1:1 virtual meeting
- Email me your questions or completed documents for review
- **You will be submitting your completed Structural Documents to me by December 19, 2025**

□ Submission Deadlines

- eCQMs: Coordinate with your HIE contact
- Administrative Measures: Collected automatically via claims data
- Structural Measures: Due December 19, 2025
- Tip: Submitting early allows time for feedback and lets you focus on other deliverables.

As always, we are here to support you. Please don't hesitate to reach out with any questions or to schedule a meeting with Barb Bishop at Barbara.bishop@uhc.com as needed.

Thank you all for your time and energy! Thank you to today's presenters and everyone who joined. Please don't hesitate to reach out with any questions or to schedule time with your Clinical Program Manager. We appreciate your continued commitment to quality improvement!
