

Dear Provider Partners,

Here at RMHP/ NHP we are committed to continuing to strengthen our partnership with behavioral health providers, ensuring we provide the best processes, communication and overall provider experience. By completing this short (about 5-8 minutes) and anonymous survey you will provide crucial feedback that will be implemented in continuing to better our partnership. [The survey is open through March 31, 2026.](#)

As always if you would like to provide additional feedback, speak to someone within our team about how we can better our partnership with you and other providers, or have questions please reach out to rmhppractice.transformation3@uhc.com.

We appreciate your insight and continued dedication to the community! Thank you!
