

Capital City Chaotic Coders UPDATE

Here's what C4 has been up to January 2023

We celebrated the new year and the 2023 FRC season with a pre-kickoff party.

Kick-off got us warmed up with workshops & team building.

NOW
THE REAL
WORK
BEGINS!

We are working at FAMU-FSU College of Engineering almost every day & we welcome you to visit any time.

We gathered with current & former team members & mentors to honor the life of Brad Mitchell who tirelessly supported us with his time, technical skills, finances, & friendship.

Thank you to our local partners

- FAMU-FSU College of Engineering
- Aegis Business Technologies
- Altrua Global Solutions
- SewBerry Sewing and Embroidery
- The Shoe Box of Tallahassee
- Vyspine
