The Illinois Chapter of the American College of Cardiology Presents:

## COVID Update – What Did the 2020 Election Mean for Our Practices? Our Service Lines?

Sponsored by Bristol Myers Squibb

December 17, 2020 | 6:00 PM to 7:00 PM Central Time

The coronavirus pandemic continues to impact our lives, communities, and practices. We have had economic volatility, social unrest, disruption of education, and untold challenges to our healthcare systems. This webinar will address telehealth coverage, payment parity, how the Public Health Emergency impacts us, review of the other quality reporting changes, and the impact of the decrease in the conversion factor all as it relates to the cardiovascular community.

**Presenter:**

**Cathie Biga, MSN, FACC**

**President/CEO Cardiovascular Management of ILLINOIS**

**Chairman Board of Managers, MedAxiom**

**Trustee, ACC Board of Trustees**
