ANNUAL SYMPOSIUM

Sunday, September 12, 2021
8:00 am - 5:15 pm

The Ingleside Hotel
2810 Golf Road
Pewaukee, WI 53072

OVERVIEW

Dear Colleague:

We invite you to join us and our outstanding faculty for our Annual Symposium being held on Sunday, September 12, 2021 at The Ingleside Hotel in Pewaukee, Wisconsin. This symposium boasts a great program featuring scientific updates in the field of cardiology for all members of the cardiovascular care team. **You have the option to attend in person or to receive a webinar link and view it virtually as the live meeting is going on. We also will be recording the meeting for viewing and educational credit until December 2021. You will be able to register for this option after the live meeting is over.**

Fellows - In - Training and Students are free but we request that you register for an accurate count. We encourage you to post this registration brochure for members of your cardiovascular care team and send them to this outstanding educational opportunity. Program brochures and registration information can be found on the Chapter's website: www.wcacc.org. We look forward to seeing you there!

Please join us for a cocktail meet and greet following the program from 4:15 - 5:15 PM.

Nicole Lohr, MD, PhD, FACC

Associate Professor of Medicine, Medical College of Wisconsin
Program Director, WI-ACC Governor

JOINT ACCREDITATION STATEMENT

In support of improving patient care, this activity has been planned and implemented by the American College of Cardiology Foundation and the Wisconsin Chapter of the American College of Cardiology. The American College of Cardiology Foundation is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

The ACCF designates this internet live educational activity for a maximum of 5.0 AMA PRA Category 1 Credit(s)[™]. Physicians should only claim credits commensurate with the extent of their participation in the activity.

MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 5.0 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Nurses

The ACCF designates this internet live educational activity for a maximum of 5.0 continuing nursing education contact hours (1.5 pharmacotherapeutic nursing contact hours). Each attendee should only claim credits commensurate with the extent of their participation in the activity.

Pharmacists

ACCF designates this continuing education activity for 4.50 contact hours of the Accreditation Council for Pharmacy Education.

Physician Assistants

The American College of Cardiology Foundation has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 5.00 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

While offering credits noted above, the course is not intended to provide extensive training or certification in this field.

JOINTLY ACCREDITED PROVIDER[®]
INTERPROFESSIONAL CONTINUING EDUCATION

PLANNING COMMITTEE

COMMITTEE CHAIR:

Nicole L. Lohr, MD PhD FACC
WI-ACC Governor
Associate Professor of Medicine
Cardiovascular Medicine Division
Medical College of Wisconsin

NURSE PLANNER:

Peggy Conroy, RN, MSN, APNP, ACNP-BC, AACC
Aurora Grafton Cardiology

PHARMACY PLANNER:

Svetlana Zaharova, PhD, FNP
The Medical College of Wisconsin

COMMITTEE:

Abhinav Sharma, MD, FACC
Froedtert and Medical College of Wisconsin

Joshua Liberman, MD, FACC
WI-ACC Immediate Past Governor
Columbia-St. Mary's Hospitals

Wah Wah Htun, MD, FACC, FSCAI
Gunderson Health System

Renuka Jain MD, FACC
Aurora Health Care

Aurangzeb Baber, MD, FACC
UW Health

Geetanjali Dang, MD MS FACC
Medical College of Wisconsin

Divyanshu Mohananey, MD
Medical College of Wisconsin

Roderick C Deaño. MD MPH FACC
University of Wisconsin Hospitals

Stephanie D Eickman, PharmD, BCPS, BCCP
William S Middleton VA Hospital, Madison

Statement of Need:

Cardiovascular Disease is the leading cause of death in both men and women in the United States. Despite the advances in treatment of cardiovascular disease it still accounts for over 1/3 of deaths in the United States. The rapidly changing healthcare environment often leaves the entire CV team struggling to find the most current and up to date information needed to manage their patients. Information on new treatment guidelines, managing specific diseases, and optimizing the multidisciplinary care of the cardiac patient will provide the CV team an opportunity to identify the most current available information for the clinical care of their patients.

Overall Goal;

The overall goal of this activity is to improve patient care by increasing learner competence in diagnosing aortopathies, CAD, Pulmonary Embolism, cardiogenic shock, cardio-obstetrics, as well as improving performance in using appropriate guidelines-based treatment for HOCM and SGLT2 Inhibitors.

Learner Objectives

- Describe current practices in diagnosis, screening and management of patients with hypertrophic cardiomyopathy.
- Describe how to balance thrombotic risk vs bleeding risk when selecting treatment strategies.
- Describe the basic principles behind 3D echo imaging and how to optimize acquisition.
- Explain the most recent data on the benefits of PFO closure.
- Describe the contemporary use of CT for the diagnosis and risk stratification of CAD.
- Discuss the incidence of prevalence of cardiovascular disease among pregnant and post-partum patients.
- Discuss the current data, guidelines, and future directions in managing cardiogenic shock.
- Discuss the new insights into the genetic basis of hereditary aortopathies.
- Discuss the use of SGLT2 inhibitors in the management of cardiovascular disease.
- Describe the opportunities for and obstacles to remote monitoring and wearables.

Target Audience;

Physicians, Fellow-In-Training, Nurses, Clinical Nurse Specialists, Nurse Practitioners, Physician Assistants, and Pharmacists.

Acknowledgments:

At the time of printing, a complete listing of supporters was not available. Appropriate acknowledgement will be updated upon confirmation of support and at the time of the course.

Learner Bill of Rights;

The American College of Cardiology Foundation (ACCF) recognizes that you are a life-long learner who has chosen to engage in continuing medical education to identify or fill a gap in knowledge of Skill; and to attain or enhance a desired competency. As part of ACCF's duty to you as a learner, you have the right to expect that your continuing medical education experience with ACCF includes the following:

Content that:

- Promotes improvement or quality in healthcare
- Is current, valid, reliable, accurate and evidence-based
- Addresses the stated objectives or purpose
- Is driven and based on independent survey and analysis of learner needs, not commercial interests
- Has been reviewed for bias and scientific rigor
- Offers balanced presentations that are free of commercial bias
- Is vetted through a process that resolves any conflicts of interest of planners and faculty
- Is evaluated for its effectiveness in meeting the identified educational need

A Learning Environment that:

- Is based on adult learning principles that support the use of various modalities
- Supports learners' abilities to meet their individual needs
- Respects and attends to any special needs of the learners
- Respects the diversity of groups of learners
- Is free of promotional, commercial and/or sales activities

Disclosure of:

Relevant financial relationships that planners, teacher, and authors have with commercial interests related to the content of the activity
Commercial support (funding on in-kind resources) of this activity

Disclaimer Statement:

- Abstract and articles contained in this course guide have been reprinted with permission.
- This information is provided for general medical education purposes only and is not meant to substitute for the independent medical judgement of a clinician relative to diagnostic and treatment options of a specific patient's medical condition.
- The American College of Cardiology Foundation (ACCF) does not warrant the completeness, accuracy or usefulness of any opinions, advice, services or other information provided through this activity. In no event will ACCF be liable for any decision made, or action taken, in reliance upon the information provided through this activity.
- Accredited status does not imply endorsement by ACC of any commercial products displayed in conjunction with this activity.
- ACCF reserves the right to modify faculty and program without notice.

Disclosure Policy;

As a provider accredited by the Accreditation Council for Continuing Medical Education (ACCME) and the American Nurses Credentialing Center (ANCC), the American College of Cardiology Foundation (ACCF) must ensure balance, independence, objectivity, and scientific rigor in all of their directly provided or jointly provided/co-provided educational activities. Planners, presenters, and other contributors, in a position to control the content are required to disclose to the audience all relevant financial relationships he/she and/or his/her spouse or domestic partner may have, occurring within the past 12 months, with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. When an unlabeled use of any commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the contributor should disclose that the product is not labeled for the use under discussion of that the product is still investigational. ACCF is committed to providing its learners with high-quality activities and materials that promote improvements in quality in health care not a specific proprietary business of commercial interest. The intent of this disclosure is not to prevent participation in educational activities by persons with a financial or other relationship, but rather to provide learners with information on which they can make their own determination whether financial interests or relationships may influence the educational activity.

ACCF assesses conflicts of interest (COI) with its faculty, planners, managers, staff, and other individuals who are in a position to control the content of CMD/CNE activities. All relevant potential conflict so interest that are identified are thoroughly vetted through a process that includes course directors and appropriate peer review by education committee chairs/members, for fair balance, scientific objectivity and validity, and patient care and safety recommendations.

Credit and Course Evaluation:

Your feedback from this American College of Cardiology (ACC) educational course will help us to better target ACC educational initiatives and efforts to support you and your future learning needs. In order to receive your (CME, CNE, CPE, PA, MOC) certificate of certificate of attendance, you must complete a brief evaluation survey online. This survey will be sent via email and will include a direct link to the survey. We strongly recommend that evaluations and credit claims be submitted within one MONTH of the course, but you must complete them within three months of the course.

AGENDA

REGISTRATION/BREAKFAST/EXHIBITORS/WELCOME	8:00 - 8:30 am
CURRENT CONCEPTS IN HYPERTROPHIC CARDIOMYOPATHY Scott Cohen, MD, MPH <i>Medical Director, Wisconsin Adult Congenital Heart Disease Program</i> <i>Departments of Internal Medicine and Pediatrics, Medical College of Wisconsin, Milwaukee, WI</i>	8:30 - 9:00 am
UPDATE ON RISK STRATIFICATION AND MANAGEMENT OF HEREDITARY THORACIC AORTIC ANEURYSMS Salil Ginde, MD, MPH, FACC <i>Director of Marfan and Related Connective Tissue Disorders Program, Medical College of Wisconsin, Milwaukee, WI</i>	9:00 - 9:30 am
CARDIAC CT FOR RISK STRATIFICATIONS OF CAD Daniel Harland, MD, FACC <i>Aurora Healthcare Medical Group, Milwaukee, WI</i>	9:30 - 10:00 am
THREE - DIMENSIONAL ECHOCARDIOGRAPHY: BASIC PRINCIPLES AND KEY AREAS OF UTILITY Abhinav Sharma, MD <i>Co-Director, Cardiac CT, Director, Hypertrophic Cardiomyopathy, Medical College of Wisconsin and Froedtert Hospital, Milwaukee, WI</i>	10:00--10:30 am
CURRENT INNOVATIONS IN TREATMENT OF ACUTE PULMONARY EMBOLISM Tonga Nfor, MD, FACC <i>Associate Director, Cardiovascular Disease Fellowship Program, Advocate Aurora St. Luke's Medical Center, Milwaukee, WI</i>	10:30 - 11:00 am
BREAK / EXHIBITORS	11:00 - 11:30 am
HEART FAILURE AND CHRONIC KIDNEY DISEASE - SPONSORED BY ASTRA ZENECA Joseph Ghobrial, MD, M.Sc <i>Senior Medical Science Liaison, Astra Zeneca, Medical Affairs/Cardiovascular & Metabolic Diseases</i>	11:30 - 12:15 pm
LUNCH AND LEARN EVOLUTION OF CHOLESTEROL GUIDELINES - SPONSORED BY AMGEN PHARMACEUTICALS Sarah Zukkoor Zorn, PharmD, BCPS-AQ Cardiology <i>Cardiovascular Therapeutic Area, Senior Medical Science Liaison, Amgen US Medical</i>	12:15- 1:15 pm
BREAK / EXHIBITORS	1:15 - 1:45 pm
IS SURVIVAL IN CARIOGENIC SHOCK STILL A COIN FLIP? Sasanka Jayasuriya MD, FACC, FSCAI <i>Ascension Medical Group, Columbia St Mary's, Milwaukee, WI</i>	1:45 - 2:15 pm
SGLT2 INHIBITORS Vicki Groo, PharmD. BCCP, CHC <i>Clinical Pharmacist Cardiology, Clinical Associate Professor, Colleges of Pharmacy and Medicine, University of Illinois @ Chicago</i>	2:15 - 2:45 pm
CARDIO-OBSTERTRICS - WHAT ALL CARDIOLOGISTS SHOULD KNOW Sarah Thordsen, MD, FACC <i>Medical College of Wisconsin</i>	2:45 - 3:15 pm
GETTING CLOSURE ON PFO CLOSURE Noa Holoshitz, MD, FACC <i>Ascension Medical Group, Columbia St Mary's, Milwaukee, WI</i>	3:15 - 3:45 pm
INCOMING! INCOMING! "WEARABLES," REMOTE PATIENT MONITORING, AND ARTIFICIAL INTELLIGENCE TECHNOLOGIES IN CV PRACTICE: IMPLICATIONS FOR THE PRACTITIONER Anthony DeFranco, MD, FACC <i>Advocate Aurora St. Luke's Medical Center, Milwaukee, WI, WI-ACC Past Governor</i>	3:45 - 4:15 pm

Annual Symposium 2021

SEPTEMBER 12, 2021 | 8:00 AM - 5:15 PM

The Ingleside Hotel | 2810 Golf Rd. | Pewaukee, WI 53072

HOW TO REGISTER:

Online: Register securely online through
www.wcacc.org or scan the QR code to the right

Mail: Mail completed form / make checks payable to:
Wisconsin Chapter ACC
900 S. Frontage Rd., Suite 325 | Woodridge, IL 60517

Fax: 630-972-6259

Name: _____

MD DO PA PhD RN ARNP PharmD Other _____

Contact Release: By completing this form, you are allowing WC-ACC to release the contact information provided to our sponsors for solicitation. If you would not like to have your contact information released to our sponsors, please check this box:

Practice/Institution Name _____

Address _____

City _____ State _____ Zip _____

Daytime Phone _____ Fax _____

Email _____

I am an ACC National Member (Member # _____)

Registration Fees

I will be attending in person (you need to bring your ticket to meeting) I will be attending virtually

ACC Physician Member \$100

Non-Member \$150

ACC CV Team Member \$50

ACC Admin Member \$50

Fellow- In- Training (Must Register) \$0

Student (Must Register) \$0

Payment Information:

Check (Payable to WI-ACC) Visa Mastercard AMEX

Cardholder Name _____

Card Number _____

Exp. Date _____ 3 Digit Sec. Code (required) _____

Signature of Cardholder _____

Daytime Phone of Cardholder _____

Card Billing Address (Same as above) _____

Card Billing City/State/Zip _____

Cancellation Policy: Requests for cancellation received no later than 5 p.m. on Friday, August 27, 2021, will be refunded, minus a \$15 administrative fee. Cancellations after that time may not be refunded.
