

## Orange County Vaccination Timeline

Contingent on vaccine availability and local administration capacity

### ACTIVE PHASE

## Phase 1A

TIER 1 - HIGH & MODERATE RISK  
TIER 2 - HIGH RISK

**Orange County resident's vaccination group will be determined by a number of factors, such as:**

- Work settings
- Direct contact with COVID-19 patients
- Recent positive COVID-19 test result or infection
- Pregnant or breastfeeding
- History of severe allergic reactions to injected medications or vaccinations
- Age
- Existing comorbidities
- Living environment - congregate facility or long term care facility

All information in this pamphlet is subject to change, please reference the latest version to view the most up-to-date information.  
Last revised 12/16/20

# “WHEN CAN I GET VACCINATED?”

Phased Approach to Vaccine Distribution - Given the limited initial supply of COVID-19 vaccines, distribution will be limited at first and increase over time. Determinations will be based on reaching critical populations to reduce morbidity and mortality rates due to the transmission of COVID-19.

- **National Academy of Sciences Prioritization**

### Phase 1A | Critical and Healthcare Workers

estimate **December - March**

#### TIER 1

- Acute care, psychiatric and correctional facility hospitals
- Skilled nursing facilities, assisted living facilities, and similar settings for older or medically vulnerable individuals and residents in these settings
- Paramedics, Emergency Medical Technicians (EMTs) and others providing emergency medical services
- Dialysis centers

#### TIER 2

- Intermediate care facilities for persons who need non-continuous nursing supervision and supportive care
- Home health care and in-home supportive services
- Community health workers, including promotoras
- Public health field staff
- Primary Care clinics, including Federally Qualified Health Centers, Rural Health Centers, correctional facility clinics and urgent care clinics

#### TIER 3

- Specialty clinics
- Laboratory workers
- Dental and other oral health clinics
- Pharmacy staff not working in settings at higher tiers

### Phase 1B & 1C | High-risk Individuals

estimate **February - March**

California Department of Public Health (CDPH) is developing detailed guidance for this distribution phase. We will post additional information as it's available.

### Phase 2 | Critical Workers and Moderate-risk Individuals

estimate **March - April**

CDPH is developing detailed guidance for this distribution phase. We will post additional information as it's available.

### Phase 3 & 4 | Everyone

estimate **Summer**

Populations not identified in prior phases above, will be addressed and defined further by CDPH. Please visit our web-page in the future, to learn more as information is further defined.

## Where can I go to get my vaccine?

If you fall into Phase 1A, please contact your employer or your long-term care facility for further details.

Return to this site in the future for more information as it is defined.
