Pray Until Something Happens

Gracious God, throughout human history, you have encountered humanity time and time again. Pour out your Spirit upon us, so that we might be refreshed. Give us strength and courage as we share your message of hope, healing, and reconciliation. May Your Spirit work through us so that our parish will increase in size with five new members between now and the end of year; may fifty hearts be touched by your Spirit and join us soon. We also pray for fifteen more volunteers so that we are well-equipped to share your ministry of love with others. We also pray that you provide us with a rectory so that our future clergy might have permanent residency near-by. Amen.

Pray Until Something Happens

Gracious God, throughout human history, you have encountered humanity time and time again. Pour out your Spirit upon us, so that we might be refreshed. Give us strength and courage as we share your message of hope, healing, and reconciliation. We give you thanks for answering our prayer for five new members; may your good work continue in them and us. May fifty hearts be touched by your Spirit and join us soon. We also pray for fifteen more volunteers so that we are well-equipped to share your ministry of love with others. We also pray that you provide us with a rectory so that our future clergy might have permanent residency nearby. Amen.
