PRESS RELEASE

FOR IMMEDIATE RELEASE

January 12, 2021

School Bus Driver Appreciation Week February 8-12

Wisconsin School Bus Driver Appreciation Week is February 8 – 12, 2021. This commemorative week recognizes all school transportation personnel who are involved in the highest standards of safe practices to assure the protection of their passengers, our state's most precious cargo. The Wisconsin School Bus Association, through its Board of Directors, pledges its full and dedicated cooperation with the Department of Transportation's Office of Transportation Safety, Division of Motor Vehicles, State Patrol, and the Traffic Safety Council, the Department of Public Instruction, schools, law enforcement agencies, PTAs, CESAs, and other organizations in promoting public awareness of the importance of school bus transportation.

In Wisconsin, there are over 15,000 school buses that safely transport more than 600,000 students to and from school each school day and travel nearly 70 million miles a year.

School Bus Driver Appreciation Week is an excellent opportunity for parents, students, teachers, motorists, school bus operators, school administrators, and other interested parties to join and discuss the importance of school bus safety.

WSBA greatly appreciates the dedication and care each school bus driver demonstrates to students every day.

For more information contact the WSBA office, any local bus contracting company, or school district.

Wisconsin School Bus Association

Founded in 1968, WSBA promotes and encourages safety in school bus transportation in Wisconsin. The association represents more than 200 operator companies, school districts, and affiliated service companies.
