

## AirX Spray N Go Disinfectant Cleaner:

**2 minute contact time disinfectant for most pathogens (5 minute contact time for the COVID-19 virus per EPA's new directives)** assures a higher level of results compared to standard 10 minute contact times for most disinfectants.

**EPA certified for soft-surface (carpets, upholstery, etc.) anti-microbial sanitizer** makes this product very unique on the market. Also a quat-based disinfectant safe-to-use on all surfaces.

**Deodorizes & cleans as it disinfects surfaces.**

**Very safe product to use: HMIS rating of 1, no need for full PPE gear to apply even when using with a sprayer.**
