

Buildings & Grounds List of Needs

Our previously scheduled ECA work day got “quarantined” so we are eager to tidy-up the grounds. There are many projects around the church that need attention. If you are willing to complete any of the tasks on this list, we would appreciate your help! Please remember that if you are on ECA’s property, you must let Father Paul know when you arrive and when you leave the grounds. Also, per the Bishop’s directive, masks are required if you can’t maintain 6 feet physical distancing, and no more than 10 people can be on our grounds at one time. So, we will beautify our grounds- quarantine-style!

Here are the Projects we want to try and complete:

- *Help plant new flowers & plants by the ECA sign and next to Swift Building
- *Help freshen the bridge planters & Memorial Garden planters with newly purchased flowers
- *Weed courtyard & by church air conditioner
- *Paint the ramp at the Activities Building
- *Paint lattice by church air conditioners
- *Clean gutters
- *Pressure wash gutters & courtyard benches by church
- *Scrub mildew on siding above breezeway to church
- *Fill in hole next to Activities Building in the back by the propane tank
- *Repair double seat swing behind the Activities Building
- *Remove vines off the storage building
- *Drill holes in large fountain basin located in front of storage building w/ concrete mason bit (for future succulent planting)
- *Trim cutting garden- chain saw needed
- *Clean & treat two small benches in cutting garden
- *Wash all outside windows
- * Remove ferns and replant Memorial Garden pots & tidy up area; move ferns to courtyard
- *Spread pine straw in Memorial Garden
- *Remove Liriope from the butterfly garden, weed and spread compost
- *Weed bench garden between the pond and church
- *Weed & trim junipers next to church
- *Weed, trim, and pine straw the berm of the pond (south end between pond & sign)
- *Trim the Loropetalums by the pond
- *Stump grind stumps
- *Spread mulch as needed
