**INDIANAPOLIS, IN, APRIL 14, 2022** – Brooke's Place for Grieving Young People announced a \$21,000 grant over three years to support its grief education and support group programming in partnership with Indianapolis Public Schools (IPS). This grant is from Crew's Crew Foundation. Crew's Crew Foundation supports the emotional well-being of children whose brother or sister has died.

“We are grateful for the Crew's Crew Foundation's long-term investment in grief education and programming within IPS Schools,” said Theresa Brun, Executive Director. “This partnership will help to extend the reach of the BP8 Grief Support program by offering additional 8-week support groups in more IPS schools in conjunction with the IPS social workers..”

BP8 is our outreach grief support group program created to reach underserved individuals and communities impacted by death, specifically death by homicide. This program is dedicated to creating safe and confidential groups that ensures participants feel supported throughout their grief journey.
