DID YOU KNOW?

At Lake Forest Country Club, there's more to our story than meets the eye. Here are a few things members and future members are often pleasantly surprised to learn:

You Don't Have to Live in Lake Forest to Join

Lake Forest Country Club is a private, member-owned club, not a homeowners association. Membership is open to individuals and families throughout the region. With new developments growing nearby, many are surprised to learn they can enjoy full club privileges without living in the Lake Forest neighborhood.

Our Junior Programs Are Among the Best in the Area

We are incredibly proud of our junior golf, tennis, pickleball, and swim programs. From beginner instruction to competitive development, our juniors consistently excel—both on and off the course. Strong participation, experienced professionals, and a focus on sportsmanship make our junior programs a point of pride for the entire Club.

Something for Every Member of Your Family

At Lake Forest Country Club, there's truly something for every interest and every age. From golf, tennis, and pickleball to the pool, social events, mahjong, and fitness classes, every member of your family can find their place and enjoy what they love.

A Thriving Club

From enhanced programming and events to thoughtful updates across the property, Lake Forest Country Club continues to evolve while honoring the traditions that make it special. With more than 50 new members welcomed in just the last two years, Lake Forest continues to grow as a vibrant and sought-after Club community.
