Dear friend,

Just over a week ago, the refounding conference of the National Alliance Against Racist and Political Repression (the Alliance) began the process of rebuilding our Alliance as a national, mass defense organization. We began this refounding conference with a mass rally of over 1,200 people. These people came from all the various strands of the peoples movement, mostly young activists, mostly Black and Brown, LGBTQ, and white working class; also veteran freedom fighters and class conscious workers, all actively engaged in struggle. People came from 28 states and over a hundred cities ready to fight back against the government's racist and repressive policies, and ready to win.

We had unanimous support to move ahead - refounding the Alliance, electing Frank Chapman as interim executive director, and agreeing to form a continuations committee to do the hands on work to build the infrastructure and organization to move us forward. See final resolution here - https://naarpr.org/call-to-refound/resolution/

Over 40 organizations and 159 individual have joined NAARPR. If you or your organization wants to join but didn't have the chance to sign up at the end of the conference, email Frank at fchapman@naarpr.org.

We intend to hold first meeting of the continuations committee later this month. Our first order of business will be summing up last weekend and what we accomplished. We'll also have an initial discussion of our next steps.

If you want to join the continuations committee and be on that call email Frank at fchapman@naarpr.org. If you would like to send your feedback on the conference without attending, please use this form - bit.ly/NAARPReval.
