

Master's Academy is now participating in the My Coke Rewards (MCR) for Schools Program. Please help our school earn funds for things like physical education programs, new technology, and classroom and art supplies through points that will be converted to cash! There is a collection tub out front at the Lower School Main Entrance. All Coca-Cola products have point codes on the lids of bottles, and on the boxes of cases. Please contact Nichole Miles with questions at nicholeighg@msn.com. Thank you for your continued support!
