Dear Educators and Homeschool Families,

We are excited to share an opportunity that we believe will be a valuable resource for your high school students and families. Master's Academy is honored to host our first-ever **NACCAP Christian College Fair** on **Wednesday, February 26, from 10:00 a.m. to 12:00 p.m.** on our campus, and we would love for your students to attend.

This event is open to students from other schools and homeschool organizations are also warmly invited.

Students are encouraged to pre-register at www.FindYourChristianCollege.com though registration will also be available upon arrival.

Each pre-registered student will receive:

- A free college resource guide
- A college fair bag for collecting information
- A personalized college match, connecting them with institutions that offer majors and programs aligned with their interests

The fair is designed to help students thoughtfully explore Christ-centered higher education options while engaging directly with college representatives in a welcoming, well-organized environment.

Thank you for partnering with us to support students as they consider their academic futures and vocational callings. Please feel free to share this opportunity with your families and students, and do not hesitate to reach out if you have any questions.

Jenny Sutter
