

## **99th Annual Commencement**

Friday, May 24<sup>th</sup>  
2019

## **Mission**

Gavilan College actively engages, empowers and enriches students of all backgrounds and abilities to build their full academic, social, and economic potential.

## **Principles of Community**

As members of the Gavilan College community, we value the worth and dignity of every person, the pursuit of truth, devotion to excellence, acquisition of knowledge, and the nurture of democratic citizenship. We strive to maintain these ideals in an environment of inclusiveness and mutual respect.

The Principles of Community provide the foundation which creates this environment. The expectation is that we maintain the highest ethical standards in order to establish an atmosphere of civility, honesty, cooperation, professionalism, nurture and equity.

### **Gavilan College aspires to be:**

#### **Diverse**

We embrace and celebrate diversity in all its forms (the heritage, achievements, uniqueness, and contributions of all our members) and seek to uphold an inclusive, open and enlightened community. We engage in socially and culturally relevant practices and foster caring relationships.

#### **Purposeful**

We are a community that maintains a shared commitment to service to society and advancement of knowledge through innovative teaching and learning. We are committed to embracing collaboration, effective communication, and the development of strong working relationships throughout the campus.

#### **Inclusive**

We believe in all voices being heard. This requires outreach and purposeful inclusion of all groups. We believe the free exchange of ideas demands mutual respect, trust and consideration of our differences.

#### **Equitable**

We are committed to working towards an environment where all students are achieving their goals and have access to equitable resources and opportunities. We are committed to respect for individual dignity and equitable access to resources, recognition and security.

These Principles of Community, reflected in Board Policy 2715, guide the institution's actions. They provide guidelines to follow and are to be considered a living document. Adherence to the Principles of Community is the professional responsibility of all staff. The strength of these principles lies not in their enforcement, but in our ability to create a shared set of values that inform and guide our community's daily practice. Ultimately, Gavilan College is dedicated to fulfilling its mission with compassion, caring and understanding, while respecting all individuals. The Principles of Community are evaluated and revised on a four-year cycle as appointed as a Task Force by the President's Council.

# 2019 Honorary Degree Recipient

## Margaret Morales Rebecchi

Margaret Morales Rebecchi was born on November 14, 1950 in Gilroy. She is the seventh of eleven children born to Daniel and Esperanza Morales. Her father, who brought his family of six to Gilroy without documentation in the late 40s, worked under the bracero program during WWII as a farm laborer.

Nine of Morales children including Margaret attended Gavilan. Margaret was instrumental in bringing the first bilingual commencement to the school. Upon graduation the office of Extended Opportunities Programs and Services presented Margaret with a certificate of Merit for Service to the college. In 1974 she graduated from the University of California at Santa Cruz with a BA in Psychology. In 1981 she received an MA in Education from University of San Francisco.

She served as a bilingual teacher in the Hollister and Gilroy School Districts for 36 years. Since graduating from Gavilan College she has been involved in many community activities such as: chairing an endowment fund which awarded \$200,000 in scholarships for Hispanic students, organized anti-fracking campaigns in San Benito and Monterey Counties and worked to bring clean energy to the Tri-County area. In 1996 Margaret organized the first US Citizens Swearing In Ceremony in San Benito County in which 200 residents became citizens.

Margaret has been recognized for her community involvement by numerous organizations: Cities of Gilroy and Hollister honored her with proclamations for community service, Woman of the Year award by both the Mexican American Committee on Education and the San Benito Chamber of Commerce, resolutions of recognition from various state senators and assembly members and a certification of special recognition from the United States Congress.

## Full-Time Faculty of the Year

### Karen Sato

For the past 34 years, Karen has worked tirelessly and enthusiastically at Gavilan College. As a faculty member, she has worked as an Adapted Physical Education Instructor for the Accessible Education Center. She is capable of interacting with a wide diversity of students—different ages, backgrounds, disabilities, genders, and ethnicities—in a respectful and affirming way. In the classroom, Karen is known for her ability to communicate the subject matter in a supportive and relevant way. Along with her terrific sense of humor, she demonstrates extreme patience and understanding towards her students with physical disabilities.

As an instructor, she is very caring and thoughtful toward her students. Her students feel extremely comfortable working with her. She has demonstrated great commitment to the Accessible Education Center program. In addition to her teaching excellence, Karen has served on numerous committees that promoted continued shared governance such as: Department Chair, Curriculum Committee, Health and Safety, Facilities and Grounds, etc. As the lead Adapted Physical Education (APE) instructor, Karen has been

instrumental in making sure the Fitness Center stays up-to-date with the latest and greatest equipment for our students with disabilities. In addition to her participation on various committees, Karen has continued to build the APE program by offering both fitness and aquatic courses. She attends the Abilities Expo each year to promote our Gavilan program. She coordinates tours and outreach to many community agencies such as: Santa Clara Valley Medical Center, Learning Services in Gilroy, Pritchett Living Services, San Andreas Regional Center. She also sponsors animals from the San Martin Animal Shelter for the Home for the Holidays program.

Karen has distinguished herself through her interpersonal skills, and she is highly regarded by her peers. Her colleagues feel that Karen is very deserving of this honor, and in fact should have received it many times over and many years before this time. She is retiring this year, and will be missed.

## Part-Time Faculty of the Year

### Dr. Nick Fortino

Dr. Nick Fortino of our Kinesiology, Non-Credit, Psychology, and Health Science departments is the Part-Time Faculty Person of the Year.

Dr. Fortino grew up in Gilroy and was a student athlete both at Gilroy High and at Gavilan (2004-2006, football under coach John Lango). He completed his doctorate in psychology at California Institute of Integral Studies with a dissertation on alternative treatments for schizophrenia, a topic that requires considerable expertise on contemporary understanding of the human brain and its functions. He also has intensively trained as a yoga teacher at Mount Madonna Center, and in fact began at Gavilan in 2013 teaching one yoga class in Morgan Hill. His students found him clear, loving, thoughtful, and deep, and word began to get out about this remarkable yoga class—so it grew. When he finished his doctoral program in 2015 he began discussions with our Non-credit program about piloting a Personal Development and Career Preparation class for inmates at the San Benito County jail, which he has been doing ever since with heart-warming results. Then Dr. Fortino made contact with our psychology department and was hired to teach his speciality, Biological Psychology. Finally, this semester it was necessary to find an eleventh hour replacement instructor for the Human Sexuality class—so Dr. Fortino stepped in. Thus he is teaching in four departments: Kinesiology, non-credit, Psychology, and Health Science—a feat that certainly demonstrates his flexibility, academic breadth of preparation, and ability to succeed at a wide variety of assignments. It is important to note that Dr. Fortino is extremely personable and kind; he connects with students on an academic and personal level.

As a part-time faculty person also teaching on other campuses, Dr. Fortino has made contributions in part by pioneering programs (jail program) and classes (Bio Psych) at Gavilan. He has also been available to teach yoga for stress relief on professional learning day, a popular and extremely well-received session. Finally, he has been working with other faculty to introduce a chapter of Active Minds, a national mental health education and support group for students, at Gavilan.

Dr. Fortino has partnered with the Santa Clara County Library system in presenting programs about neuroscience, transformation, and emotional intelligence. He will be returning to this partnership in May by offering another lecture on stress. He has also spoken to a local Kiwanis club. He can uniquely address these issues as someone with an excellent academic background who speaks calmly and clearly about concerns we all share. As an alumnus of and community member at Mount Madonna Center, he represented the center at an international conference in Beijing in November; he spoke on Yoga and Transformation, then led more than a hundred conference participants in actually experiencing some yoga. Dr. Fortino has also taught at a local yoga studio for more than six years, and among his students there are a number of Gavilan faculty and students who come on Sundays to his classes to integrate the many benefits of yoga. He participates in the annual community Yoga Day, and provides sports leadership at his son's local school.

# Rho Alpha Mu Honor Society

Honor society membership has a long history in America, beginning when tutors and advanced teaching assistants joined forces to share scholarship discussion, and recognition of merit through an organization designated a Phi Beta Kappa, which was founded in 1776 at the College of William and Mary.

In 1926 the California Community College Honor Society was formed under the title Alpha Gamma Sigma. It is affiliated with the National Junior College Honor Society and the Phi Beta Kappa Organization of four year institutions.

Rho Alpha Mu, the local chapter of Alpha Gamma Sigma, was formed in 1976. The Greek letters stand for RAM, the Gavilan College mascot. Eligibility for membership requires at least a 3.0 grade point average. In addition, members are required to complete ten hours of community service each semester, and participate in fundraising and other club activities.

To be eligible for life membership in Alpha Gamma Sigma, students must maintain a 3.25 grade point average in at least 60 units of college work and have been a member in good standing for at least two continuous semesters.

2017-2018 Rho Alpha Mu of Gavilan College is proud to present Lifetime Membership in Alpha Gamma Sigma to the following students:

Brian Franco  
Michelle Lujan

Ruby Gonzalez  
Elizabeth Williams

Cecilia Naranjo
